

Career Opportunities at Marion K. Salomon & Associates, Inc.

We welcome your interest in Marion K. Salomon & Associates, Inc.!

Come join our group of caring, qualified professionals. We work tirelessly with each child and their family to bring out each child's maximum developmental potential, and we make every effort to enhance each child's development and to respond quickly and sensitively to parent's concerns. Our goal is to provide prompt, accurate evaluations, effective treatment for developmental difficulties, and support for families of young children. Our professional associates all have specialized training, extensive experience and New York State licenses or certification.

Listed below are details regarding positions available:

At this time, we have contracted positions available in the following disciplines for early intervention, preschool and school—aged children:
